

## ICSE and ISC Results (year 2016-2017)

Congratulations to the 91 students, their families and facilitators of our 7<sup>th</sup> batch of ICSE and 5<sup>th</sup> batch of ISC for achieving academic excellence in the board examinations!

In this year's Class XII, there are several students who have completed 14 years of growing up in, and with Shikshantar, as they had joined as the first ever batch of Nursery in 2003-2004. For those students, and many more, who joined Shikshantar over the years, it is time to pause and reflect at the learning of the previous years and move ahead with confidence towards their future goals.
