

ICSE and ISC Results (year 2017-2018)

Congratulations to the 95 students, their families and facilitators of our 8th batch of ICSE and 6th batch of ISC for achieving high standards of academic excellence!

The progressive learning environment at Shikshantar nurtures the mind to think, question, reason and reflect. The guidance, mentoring and unwavering faith of facilitators encourages each child to set personal goals and develop a sense of thoroughness in the process of acquiring knowledge.

The environment encourages young minds to learn, play, sing, dance, draw, paint and above all dream and pursue those dreams with passion and conviction...
